

EUROPEAN ASSOCIATION OF CAREER GUIDANCE

The purposes of the Association are to:

1. enable an information and experience exchange by the Career Guidance Counsellors,
2. circulate provisions of the Lisbon Strategy and its updates in academic and professional circles,
3. support the process of raising education and professional standards and quality in the territory of the European Union,
4. support and contribute to the European policy of Career Guidance and Employment,
5. organize training courses for the promotion of Lifelong Learning (LLL) of the Career Guidance Counsellors,
6. organize seminars and conferences, which will enable direct communication among the Association members and beyond and for the definition of new areas of the Association activities,
7. prepare proposals within the framework of the European Commission's funds,
8. cooperate as a coordinator or partner in European projects,
9. produce publication of interest to the members.
